FROM THE GLOBAL PRESIDENT'S DESK

JAHANGIR KHAN

Global President, Shahid Afridi Foundation

Education is the key driver that validates progress of any nation. Our focus and vision at SAF is to grant accessible education to all. We are passionate and focused to help render opportunities that will help less privileged societies gain access to education, especially for girls. Keeping that in view, we aspire to ensure 'تعلیم ہو گی عام، ہر بیٹی کے نام'. Our primary goal is to create venues for our students so they can be at par with other children.

Moreover, we have created many programs particularly for teacher development to help them avail better opportunities for a promising future, ensuring they resort to modern teaching methods too. It is pertinent to mention here that these reforms will thereby help children embrace positive changes. One of the main criteria for any educational initiative is its curriculum.

At SAF we are focused on developing and creating a robust curriculum that is in line with the modern world. We are developing a curriculum that revolves around technology. Our community development projects include Mini - MBA and Robotics that will help gear up future generations.

I would like to take this opportunity to thank all the supporters, partners, volunteers and donors who have helped us in every way possible and at every step. Let us continue with our combined efforts to pave way for progress especially through education. We at SAF, strive to help Pakistan excel throughout

Global President, Shahid Afridi Foundation

FROM THE GLOBAL CHAIRMAN'S DESK

SHAHID AFRIDI

Global Chairman, Shahid Afridi Foundation

Shahid Afridi Foundation is one of the closest things to my heart; witnessing it grow over this period of time gives me immense satisfaction assuring me of the fact that in some way I'm able to give back to the country that has rendered endless opportunities for me to shine and succeed. We have launched a progressive, unique and nationwide initiative named LALA NATION 10. The purpose of this initiative is to engage the youth of this country towards causes that pivot around education, healthcare, water and sports rehabilitation.

We want to create an avenue of volunteers, unified on one platform to support underprivileged communities under the banner of LALA NATION 10. This led to a comprehensive Road to Education tour, where we managed to connect with millions of students and volunteers across different cities in Punjab, including Multan, Bahawalpur, Pakpattan, Daska, Gujranwala, Sialkot, D.G. Khan, Sahiwal, Lahore, Faisalabad and Gujarat. The response to the Road to Education initiative was tremendous. I would like to take this opportunity and thank our donors and volunteers personally for approaching us, coming forward and putting their best foot forward to be a part of this unprecedented drive!

We, at SAF, will continue with our LALA NATION 10 initiatives and are equally hopeful to enlist additional members in this campaign for the aforementioned causes. It is my HOPE to create a robust network of partners and volunteers who will help us unlock opportunities catering for underprivileged communities of this country. Your support coupled with SAF's vision, through the grace of God, strive to build a nation that stands firm to HOPE NOT OUT!

SAF EDUCATION

For SAF, education is a key development area. Our 2020 vision strongly upholds a firm belief that the progress of our nation is in the hands of its mothers, daughters and sisters.

Through our 'تعلیم ہو گی عام، ہر بیٹی کے نام' campaign, we aim to educate every child across Pakistan who is deprived of quality education.

FIRST PURPOSE-BUILT SCHOOL IN TIRAH VALLEY

SAF is working to facilitate the residents of remote areas. It is pertinent to mention here The SAF School is under construction, with the aim of enrolling 600 students by next year in order to combat surging rates of illiteracy.

ROAD TO EDUCATION

Under the banner of Lala Nation 10, SAF organized an extensive roadshow campaign promoting education, especially for girls. The purpose of this roadshow was to inform people about rising illiteracy rates that presently dominate our country.

Our objective was to enhance awareness and to raise funds for SAF's undertakings. SAF's team, including Global Chairman, Shahid Afridi, was greeted with passion and vigor by all of our partners and supporters.

It turned out to be a tremendously successful journey in terms of projecting SAF's vision throughout. In future, we look forward to continuing working on initiatives, and welcome collaborations that would help us work for the betterment of our cause.

SAF WATER

One of our key focus areas is access to water. We have made numerous interventions to help provide access to water in the following areas: Kohat, Tirah Valley, Adamkhel, Mardan, Sarkhel-bara, KaramToraghar-Orkazi, Malagori-KPK etc.

SAF's dedication and commitment to install water pumps, reservoirs and underground water tanks will further enable marginalized communities to have access to one of the most basic needs. With such interventions, SAF has managed to create a robust ecosystem that not only helps people have access to water but also adds convenience to their lives; previously people had to travel miles to collect water.

Our vision is to be an organization that helps ease problems of marginalized communities and give them HOPE for a prosperous future!

CRICKET FOR CHANGE

US Consul General Lahore recently partnered with SAF for ten camps across Punjab to empower underserved communities through sports-related activities that promote a positive message. Simultaneously this helps develop skills and knowledge linked to leadership, teamwork, healthy lifestyle, resilience, community service, time management, career, and financial planning. The medium used was cricket, which is a good platform for promoting personal and community-related development in Pakistan.

The first of these ten camps were held at Naukhez Public School Multan; a five-day training camp was designed for students whereby they were trained on cricketing and life skills by qualified and professional trainers.

DAY 1:

On the first day of the camp, students and teachers went through a baseline survey to have their skills and abilities assessed to customize a program based on their needs.

DAY 2:

The workshop focused on improving key development skills such as personal care, leadership skills, inclusivity, tolerance, and mindfulness of the students.

DAY 3:

On Day 3, participants implemented life development skills such as teamwork, mindfulness, self-esteem building and other related skills they learned during days 1 and 2 of the camp, preparing for a match organized for later on. Participants also received kits for the program.

DAY 4:

The SAF Cricket for Change Camp Day 4 was all about ABCS test where participants were tested on agility, balance, coordination and speed. The test conducted was part of the workshop which was specifically designed to improve key development skills amongst these children to ensure its HOPE NOT OUT!

DAY 5:

Day 5 of SAF's Cricket for Change camp kicked off with cricket kit distribution to all the beneficiaries. To mark the final day of the camp, a match was organized between two teams, where children participated and implemented what they learned through previous workshops given during the camp. The teachers were equal participants as they learned how to train children on key development skills and fully participated in all the camp activities

LAUNCH OF LALA NATION 10

Engaging youth to create impact & change lives

Under the banner of Lala Nation 10, we aim to build a platform for the youth to come forward and join hands with Shahid Afridi Foundation's mission to improve education, healthcare services, provide access to water and promote sports rehabilitation across Pakistan.

We, at SAF believe in youth engagement as our youth are responsible for building a progressive pathway for our country. The initiative focuses on engaging youth to support deprived citizens of society to come forward with sustainable solutions to empower them. The initiatives' vision is to involve youth to take action, like their hero Mr. Shahid Afridi.

Being a role model of the country, Mr. Afridi wishes to lay down a pathway for the youth to follow through his philanthropic practice to support underprivileged citizens of our country. Volunteers make a huge contribution to the health and wellbeing of the nation, giving their time, skills and expertise to support SAF.

Lala Nation 10 volunteers will work together as a unified force to empower and build a healthy community. Every individual can contribute their time, skills and knowledge through volunteer action, and their combined efforts make a significant contribution to achieve developmental goals in order to build a progressive Pakistan.

TO FIGHT CORONA, DONATE KARO NA CAMPAIGN

With the outbreak of COVID 19 in Pakistan Shahid Afridi Foundation was one of the first to start campaigning, raising awareness and start supporting families in need during this pandemic.

To educate the masses about the virus and support families struggling with a loss of livelihood due the pandemic, SAF launched a campaign - **To Fight Corona Donate Karo Na** using **#DonateKaroNa & #StayHomeToSaveLives**.

The campaign was led by SAF Global Chairman Mr. Shahid Afridi & Global President Mr. Jahangir Khan, with SAF Global Chapters. A ration drive has been running for fifteen days already from Karachi to Kohat facilitating 6,000 families and is set to expand into other neighboring areas where there is an immense need.

A website www.donatekarona.com was launched alongside a short text code **8086** for the Pakistan audience and **7040** for UK audiences to raise funds to enable us to conduct the ration drives.

Ration drives have taken place in the listed areas:

Tangi Banda I Torah Gundi - Hangu District I Kohat City & adjoining villages I Jamali Goth I Arkanaabad I Rehri Goth I Wanghi Goth I Ghamkol - Afghan Refugee Camp I Bhans Colony I Chanesar Goth I Junejo Town I Bakhtawar Goth I Landi Kotal I Torah Wanday I Porana Jarmal Kalam I Kandiyari I Naushero Ferozel Nawabshah

Shahid Afridi Foundation's primary health care hospital SFCH was used to set an example of how and what precautions should be taken.

- Patients coming in were briefed on precautionary measures
- An Isolation Ward was created to ensure patients showing symptoms can be quarantined until relevant safety measures are taken
- Hand sanitizers were installed around the hospital for incoming patients to use
- 500 banners on the importance of cleanness were placed all around the city of Kohat
- 5,000 pamphlets distributed in Urdu and Pashto languages
- Force of 20 SAF volunteers was formed to ensure ration is delivered to homes and the gathering of crowds is avoided

Appeal:

Our target is to provide 25,000 households across Pakistan with rations during this Covid 19 pandemic & to continue supporting them throughout Ramadan. Along with this we are providing face masks and safety gloves to control the spread of the virus.

SAF AUSTRALIA AWARENESS CAMPAIGN FOR 'EDUCATE A CHILD'

PAKISTAN CRICKET TEAM

PAKISTAN CRICKET TEAM SAF Australia hosted the visiting Pakistan Cricket team members in Sydney at a fundraising dinner to help underprivileged people in Pakistan. SAF is supported by PCB as its official charity partner for all of its initiatives.

The dinner event included an informal Q&A session with players where the players were asked questions regarding their careers and SAF's initiatives.

Misbah ul Haq, Chief Selector and Head Coach commended the efforts of SAF and said, "We should support the work that Shahid Afridi is doing in relation to Health and Education."

The sold-out event included overwhelming participation from local business community, government officials, media representatives and the enthusiastic Pakistani community.

SAF CHOSEN AS OFFICIAL CHARITY PARTNER BY PCB

The Pakistan Cricket Board extended the scope of its Corporate Social Responsibility when they signed a two-year partnership with Shahid Afridi Foundation. The Foundation is diligently working to uplift the lives of underserved communities by providing better healthcare, education and clean drinking water to every member of the society.

The partnership will cover all bilateral series of Pakistan's cricket, starting with the home series against Sri Lanka where the SAF logo will feature on the National Men, Women and Junior cricket team's kit.

Wasim Khan, Managing Director, Pakistan Cricket Board said: "The PCB is delighted to continue to play their part in the progress, growth, and development of underprivileged citizens of Pakistan, this time through a partnership with the Shahid Afridi Foundation." He was all praise for the Chairman of the Foundation. He said, "Shahid Afridi has encouraged and attracted a number of people to join him in this campaign. We have to work collectively and proactively to address the real issues in our society and work aggressively to uplift and improve the quality of lives of hundreds of underprivileged people. By raising awareness about SAF's work and efforts, PCB will play its part in supporting this agenda."

BASKIN-ROBBINS JOINS HANDS WITH SAF

Shahid Afridi Foundation (SAF) and Baskin Robbins Pakistan signed an MoU at SAF School Malikpur Campus, Lahore. The MoU will enable 100 out of school girls to receive free of cost quality education at SAF adopted schools. SAF Schools sponsor full term education of over 4,000 deserving children including all academic expenses.

Both the brands will work together to further raise funds to educate under privileged female students under SAF's "تعلیم ہوگی عام، ہر بیٹی کے نام".

The partnership is taking place under Baskin-Robbins Pakistan #BaanteyKhushian platform which aims to spread happiness amongst marginalized communities. As an integral part of company's global DNA, Baskin-Robbins Pakistan will promote the campaign in all fifteen franchises across Pakistan. "We are committed to spreading happiness and hope through our products and CSR endeavors", said Haris Mustafa, CEO Baskin-Robbins.

Shahid Afridi Foundation is striving to make a difference in the field of health, education, clean water and sports. Shahid Afridi Foundation's excellent work and Mr. Afridi's vision has earned global recognition over the years. It is imperative to educate our girls, as one educated woman raises an educated family which leads to an educated prosperous society.

Our goal is a thriving nation and this is what the partnership will hopefully lead to. With over 22 million out-of-school children, out of which 32% are only primary school girls, the collaboration will lead to the enrollment of more girls in schools bringing happiness and hope to those who need it the most.

CAREEM JOINS HANDS WITH SAF

Careem Pakistan and Shahid Afridi Foundation (SAF) have joined hands to help further the cause of education to underprivileged children in Pakistan, especially girls under the banner. As per the MoU signed between Careem Pakistan and SAF, Careem will facilitate fundraising for SAF through their exclusive Car-Type "Build Pakistan Ride". Customers will also be able to donate by redeeming their Careem Reward points earned through the app.

The signing ceremony was held at the Careem House (Headquarters) where the senior leadership hosted cricketing legend Shahid Khan Afridi, Global Chairman SAF.

Zeeshan Hasib Baig, General Manager, Careem Pakistan commented on the occasion: "Careem's Build Pakistan initiative and Rewards program are a testament to our commitment towards building communities through technology. Our collaboration with SAF is one such example of how technology with committed partners can make a positive change in Pakistan"

During the ceremony, Cricketing Legend, Shahid Afridi shared his dream and commitment towards this philanthropic career and remarked "I strongly believe that our community especially the corporate sector has to come forward and contribute to give back to society, for which I am very grateful to Careem and its management for joining hands with Shahid Afridi Foundation. I would also like to thank media for supporting and projecting our cause by providing coverage of our events and activities"

This partnership is yet another step in helping give the 22.8 million out-of-school children in Pakistan a ray of hope to secure a bright future by binding organizations together through technological platforms.
