DONOR REPORT

April - June 2021
Quarterly Progress.

CHAIRMAN'S MESSAGE:

We believe in making a difference by creating value in a sustainable & socially responsible manner – Creating Impact and Changing Lives. The increasing complexity of social and economic issues along with coronavirus is adding to the burden; with funding streams drying out, more people want to do something to help solve society's problems & are showing increased interest in activities that make a social contribution.

Our most valuable assets are our donors, partners, volunteers who help us build synergies to reach out & uplift the most destitute communities across the globe. This Ramazan we have reached out to 9,415 families across the country and served Iftar to over 5,000 individuals, another 2,500 families were lent support through our food security campaign efforts.

SHAHID AFRIDI

SAF local & global teams reached out to families struggling within their communities by setting up food banks to reach struggling households, homeless, refugees and daily wagers who are prone to food insecurity more than anyone.

A series of fundraisers were organized locally and internationally to support SAF education initiative. We tried our best to make most of the lost opportunities and time under lockdowns by constructing computer labs and libraries at SAF schools so that when our student's return they have access to latest technology and techniques.

UPDATES FOR THE QUARTER

SAF GLOBAL CHAPTER

Australia

Ramadan Food Drive: Carrying forward the values of Ramadan and SAF's mission to reach the most vulnerable households SAF Australia reached struggling families (sick, elderly, disabled, refugees, single mothers) in Melbourne and Sydney. Efforts made by the team were joined by Unity Grammar and volunteers from all over the country. Prominent community members participated in food drive activity. Throughout Ramadan campaign, various TV & Radio channels provided platforms to SAF Australia to promote the cause.

Building Libraries: SAF Australia raised funds to build a library at Arkanabad Campus. The library will play a vital role in cognitive & intellectual development of the students enrolled at the campus. Library will be open space for students to read & expand their knowledge and imagination; to help children grow in education as well as provide a good amount of room to learn more.

Access To Water: Seven handpumps have been installed in the district of Tando Allahyar, and one tank in MirpurKhas with the generous support of donors of SAF Australia. The handpumps are going to facilitate 30 Households each, while the water tank would cater to 300 Households in the vicinity of Juluri Village, MirpurKhas.

Educate A Child: With the support of SAF Australia, 236 students enrolled at SAF School Arkanabad Campus, Karachi have been sponsored for a period of one year. We are extremely grateful to the donors who came forward. The students will be able to continue their journey as the sponsorship will pay for the tuition fee, stationery, uniforms, books and shoes.

Building Computer Labs: Constructing a computer lab at SAF School Arkanabad Campus with the support of SAF Australia and donors. The computer lab will host 15 students at one time. Integration of digital learning will allow SAF school students to come at par with the world.

United Kingdom

Collaboration with Nazir Awan Foundation: SAF UK partnered with Nazir Awan Foundation to raise funds & reach the most vulnerable families across the globe. Nazir Awan Foundation shares the same values and mission as SAF – Creating Impact and Changing Lives.

Step for SAF: SAF UK and multinational telecommunications giant, BT's Muslim Network collaborated running a challenge titled 'Step for SAF' to raise funds for our projects. We are also collaborating on running a mentoring program, which sees students who are part of the SAF UK Student Network being mentored by BT staff, working on developing and enhancing soft skills.

Food Bank: Taking the forefront in the fight against hunger & facilitating a brighter tomorrow, SAF UK has initiated a hot meal drive, serving free of cost food bi-monthly in South London for the homeless in collaboration with Night Watch. Provision of nutritious food ensures no one goes hungry. This initiative is part of our global food security efforts.

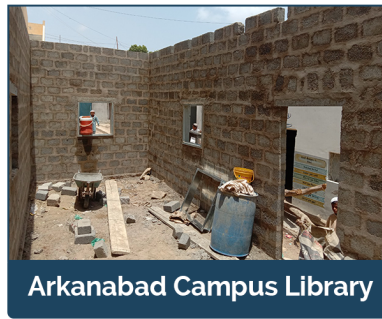

Ramadan Auction: A customized online auction was rolled out during the holy month of Ramadan where memorabilia and valuable items were auctioned to raise funds for SAF initiatives. The auction helped us raise much needed funds and raise awareness of our work across the globe.

Provision of Lunch: For low-income families, school is more than just learning; giving children lunch for school is an additional cost for the parents. SAF is providing free meals to 216 students enrolled at SAF Wadoodia Mohalla Campus, Karachi, Sindh; with the support of Regal Foods UK, an important income support for the family & a critical source of nutrition for the children. Provision of lunch is also playing a big role in providing nutrients and reducing the intake of unhealthy food, leading children to choose healthier eating habits.

SAF FUNDRAISERS

Supporting SAF Ration Drive - #ZakatSeUmeed: Chairman SAF Mr. Shahid Afridi hosted a successful fundraiser with the support of the Roomi family; allowing SAF to expand its emergency relief initiative and reach the most destitute vulnerable families residing in Baluchistan. We provided ration packs to over 1000 families across the province during the holy month of Ramazan.to the most vulnerable households in the remotest locations across the country.

Supporting SAF initiatives: To support and expand projects undertaken by SAF, a second fundraiser was organized with the support of Shehzad Dehdi to support SAF initiatives. The funds raised aided SAF to expand its outreach to the most vulnerable and underserved communities.

SAF APPEALS

Oxygen for India: India has been severely impacted because of the global COVID-19 pandemic, with over half of the world's cases being reported in India. The current strain on medical facilities in India means that patients have nowhere to go for treatment, and hospitals and clinics are running low on supplies, including oxygen. SAF partnered with British Asian Trust to raise funds for their Oxygen for India Emergency Appeal, through an online auction. Funds raised from the sale of auction items are going towards the funding of oxygen support during the current wave of the pandemic in India.

SAF HEALTH

Tirah Valley (SFH) Construction Initiated: From the very beginning we have focused and worked for quality healthcare facility provision to underserved communities. Opening the doors to access the healthcare support for the people of Tirah Valley, Sahibzada Fazal Rehman Hospital (SFH) – the 2nd flagship project of SAF Health. The construction of this hospital has been initiated in destitute and isolated area of the valley of Tirah; this is going to provide a huge opportunity for the community to benefit from.

SAF EDUCATION

Transforming Learning spaces: Tank Library is uniquely placed at the heart of the city; initiating the construction of Library in March, 2021; we have now successfully constructed the structure and placed roof of the public library. The transformed library space is intended to be an inclusive space, appealing to families, children, and young people, & even aspiring entrepreneurs as much as more traditional library audiences. The library will open its door to the general-public in December. SAF has pledged to renovate the entire building & make it operational for the general public again.

SAF School Tirah Valley: As the construction of SAF Tirah Valley School nears completion, SAF looks forward to riveting a newfound sense of Hope in the region to uplift children & broaden their horizons. The school is the first purpose-built school in the region & will open its door for 600 students to create employment opportunities for teachers and non-teaching staff alike.

SAF WATER

Access to Water: Tough landscapes, from arid deserts to remote mountain ranges, combined with unsettled politics make reaching the poorest people difficult. SAF is tackling these challenges and making water and hygiene a normal part of daily life. As part of its water initiative SAF has installed 100 hand pumps across MirpurKhas bringing access to water for everyone across the district.

Water is a driver of development & plays a crucial role in alleviating poverty; it is vital for human nutrition and health, and essential for ecosystem management, agriculture, energy, and overall planetary security. SAF water initiative has brought access to 6 villages and 4,348 households by installing 100 hand pumps across MirpurKhas.

SAF EMERGENCY RELIEF RESPONSE

Solidarity with PK8303 victims: The PIA PK8303 was a massive tragedy that halted our nation as they prepared for Eid this time last year. On the first anniversary of the crash, SAF team met with the families; remembering all the victims and their families. As part of SAF emergency relief response, efforts were made to extend financial support to 97 families of the victims and 21 homes that were damaged so they can rebuild their lives and look forward to a future filled with Hope.

Winterization Kits: Extending efforts of SAF emergency relief response, underserved communities of Baluchistan & KP were provided with winterization kits, inclusive of cotton mattress, pillows, quilts, shawls for males & females, kits' sweater, pairs of socks, woolen caps, and gloves. 298 households in Pishin and 204 households in Bannu were provided with winterization kits to keep them warm during the upcoming winter season with the support of CARE International.

Food Security Campaign: The current situation of food security in Pakistan is quite worrisome in the light of evolving nature of the global pandemic. There is an urgent need to improve accessibility & affordability of basic food items for the poor, to enable them to live a life without fear of hunger and uncertainty of food. Ensuring access to nutritious food particularly for the poor and people in vulnerable situations, including infants, to safe, nutritious, and sufficient food for fifteen days. SAF Food Security Campaign catered to 2500 households across the country to address the nutritional needs of adolescent girls, pregnant and lactating women, and older persons. SAF aims to empower envision 2030 SDG # 2 and 3 to Zero Hunger and Good Health and Wellbeing & empowering the most marginalized communities through this campaign.

SAF PARTNERSHIPS

MACPAC Films: Paving a brighter future for the people of Pakistan by joining hands with MACPAC Films, who have pledged their support for SAF initiatives. The collaboration will allow SAF to uplift poverty-stricken communities across the nation.

SAF PCP REGISTRATION

Shahid Afridi Foundation registration with Pakistan Center of Philanthropy has been renewed, SAF was awarded the accreditation for demonstrating excellence in seven functional areas. The accreditation will boost trust, Credibility, and proves SAF has a sound structure and systems to deliver services effectively and efficiently; reducing organizational risks and improved internal governance practices.
