Introduction

From July 2024 to June 2025, the Shahid Afridi Foundation (SAF) entered a defining phase of its journey one marked by scale, institutional strength, and deeper community impact. This year was not only about expanding numbers or geographies; it was about reinforcing systems, strengthening partnerships, and delivering sustainable solutions where they were needed most.

Across Pakistan's underserved and vulnerable regions, SAF continued to address critical gaps in healthcare, education, clean water access, disaster response, and youth development through sports. With an expanded Mobile Health Unit fleet, new schools and vocational centers, large scale housing initiatives, and a growing clean water footprint, SAF translated commitment into measurable, lifechanging outcomes.

2024–2025 also reflected SAF's evolution as a mature humanitarian organization—one that balances emergency response with long-term development, and immediate relief with sustainable rehabilitation. From flood-affected communities in Sindh and Balochistan to remote villages in Tirah, Thar, and coastal regions, SAF's interventions were designed to restore dignity, strengthen resilience, and create pathways to self-reliance.

2024–2025 also reflected SAF's evolution as a mature humanitarian organization one that balances emergency response with long term development, and immediate relief with sustainable rehabilitation. From flood affected communities in Sindh and Balochistan to remote villages in Tirah, Thar, and coastal regions, SAF's interventions were designed to restore dignity, strengthen resilience, and create pathways to self reliance.

About Shahid Afridi Foundation

Founded in 2014 by renowned Pakistani cricketer Shahid Afridi, the Shahid Afridi Foundation is committed to uplifting underserved communities through a holistic development approach. SAF focuses on five core pillars:

- Emergency Relief Response
- Health
- Education
- Access to Clean Water
- Sports Development

Headquartered in Pakistan, SAF operates globally with registered chapters in the United States, United Kingdom, Australia, and South Africa. Through these chapters, SAF mobilizes international support to deliver impactful programs across Pakistan.

Pakistan continues to face complex humanitarian and development challenges, including limited healthcare access, education inequality, water scarcity, and vulnerability to climate induced disasters. SAF was established to respond to these challenges with integrity, transparency, and a long-term vision for change.

To date, SAF has impacted millions of individuals by delivering essential services, strengthening community infrastructure, and empowering families to rebuild their lives with dignity. Our mission goes beyond charity it is about creating sustainable systems that enable communities to thrive independently.

Our Vision

To become a source of transformation for underprivileged communities in Pakistan and across the globe.

Our Mission

To enable access to education, healthcare services, and clean water while empowering underserved communities to build a better, more secure future.

Chairman's Message

As I reflect on the year 2024–2025, I am deeply grateful for how far the Shahid Afridi Foundation has come not only in scale, but in strength as an institution committed to lasting change.

This year marked an important chapter in SAF's journey. We expanded our Mobile Health Unit fleet, reached thousands more families through sustainable housing, opened new schools and vocational training centers, and strengthened our clean water initiatives in some of the most water-stressed regions of Pakistan. Each step forward reflected our growing capacity to serve communities with consistency, care, and purpose.

None of this would have been possible without the trust and generosity of our donors, partners, and global chapters. Your belief in SAF allows us to reach communities that are often forgotten and ensures that essential services reach those who need them the most. I am especially grateful to our chapters in the USA, UK, Australia, and South Africa, whose continued support enables us to scale our impact year after year.

As SAF continues to grow, our responsibility grows with it. We remain committed to transparency, accountability, and thoughtful expansion—ensuring that every initiative we undertake delivers real value and long-term benefit.

Thank you for standing with us and for being part of this journey. Together, we will continue to ensure that **Hope Not Out** remains a promise fulfilled.

MEET OUR TEAM

CHAMPIONS OF CHANGE

SHAHID AFRIDI

Founding Chairman

Shahid Afridi, globally recognized as one of Pakistan's most celebrated cricketers, founded the Shahid Afridi Foundation in 2014 with a deep commitment to giving back to communities in need. Beyond his achievements on the field, Shahid Afridi has consistently used his platform to advocate for humanitarian causes, social responsibility, and community development.

As Founding Chairman, he provides strategic direction and vision to the Foundation, ensuring that SAF's initiatives remain rooted in compassion, accountability, and long term impact. His leadership emphasizes sustainable solutions across healthcare, education, clean water access, emergency relief, and youth development through sports.

Under his guidance, SAF has evolved into a trusted humanitarian organization with a growing national and international footprint impacting millions of lives while staying true to its core mission of restoring dignity and opportunity to underserved communities.

ZAFAR MALIK

CEO

Zafar Malik brings extensive experience in crisis management, humanitarian response, and organizational leadership to his role as Chief Executive Officer of the Shahid Afridi Foundation. Under his leadership, SAF has strengthened its operational systems, expanded program reach, and enhanced institutional accountability.

He has played a pivotal role in scaling SAF's core initiatives across healthcare, education, water access, housing, and emergency relief, while fostering strong partnerships with donors, corporate entities, and global chapters.

Zafar Malik's leadership is guided by a commitment to transparency, impact driven programming, and long-term sustainability ensuring that SAF continues to evolve as a resilient and trusted humanitarian organization.

Strong leadership lies at the heart of the Shahid Afridi Foundation's work. The Foundation's leadership and governance structure provides strategic direction, ensures responsible stewardship of resources, and upholds the values that define SAF's commitment to sustainable and inclusive development.

MOMINA AHMED

Board of Trustees

Momina Ahmed brings a unique blend of expertise in communications, advocacy, and stakeholder engagement to the Shahid Afridi Foundation. As a Trustee, she plays a key role in shaping meaningful narratives around SAF's work and amplifying its impact across diverse platforms.

Her ability to connect purpose with people strengthens SAF's outreach and engagement efforts, ensuring that the voices of underserved communities are heard and that SAF's mission resonates with supporters globally.

HASSAN SIDDIQ

Board of Trustees

Hassan Siddiq is an experienced industry professional with a strong background in leadership, strategy, and international engagement. As a Trustee of the Shahid Afridi Foundation, he contributes valuable insight that supports institutional growth and cross border collaboration.

His experience enables SAF to navigate complex operational challenges while strengthening partnerships and governance structures, reinforcing the Foundation's ability to deliver sustainable and scalable impact.

JAHANGIR KHAN

Trustee

Jahangir Khan is a globally respected sports icon whose legacy of excellence, discipline, and leadership extends far beyond the squash court. As a Trustee of the Shahid Afridi Foundation, he brings a strong sense of purpose, integrity, and commitment to youth development and social empowerment.

His belief in the transformative power of sports aligns closely with SAF's mission to promote confidence, resilience, and inclusion among underserved communities. Jahangir Khan's guidance continues to strengthen SAF's vision of positive social change through structured opportunity and mentorship.

WORLDWIDE IMPACT

TEAMS DRIVING GLOBAL IMPACT:

The success of the Shahid Afridi Foundation is driven by the dedication and commitment of exceptional teams across the world. Their collective vision, leadership, and passion are central to advancing the Foundation's mission and delivering meaningful impact in the communities we serve.

Across SAF's global chapters, these teams bring together diverse expertise and shared purpose—working tirelessly to mobilize resources, strengthen partnerships, and support initiatives that create lasting, transformative change. We are proud to introduce the individuals behind our global teams, whose efforts continue to turn compassion into action.

STAKEHOLDER ENGAGEMENT

At SAF, we acknowledge the vital role that stakeholders play in shaping our operations and ensuring the success of our initiatives. We actively engage with and value the insights of each stakeholder, incorporating their feedback into our decision making processes. Our commitment to transparency and integrity guides every step, ensuring that we uphold the highest standards in all our collaborations.

STAKEHOLDER	DESCRIPTION	EXPECTATION	FREQUENCY
Legal Authorities	Legal entities ensuring compliance with relevant laws, tax regulations, and grant documentation.	SAF is committed to adhering to all legal and regulatory requirements, ensuring transparency in financial reporting, and utilizing grants as intended, with clear and precise documentation of fund allocation.	As per statutory timelines
Donors	Individuals, companies, or institutions contributing to SAF's operational and capital needs for sustainability.	Maintain open communication regarding project updates, timely reporting of funds received, and their efficient allocation. Ensure donors are kept informed about the impact of their contributions.	Continuous
Banks	Financial institutions supporting SAF with fund management and risk mitigation strategies.	Communicate any changes in organizational structure promptly, and provide detailed updates on project progress and fund utilization to ensure transparency and continued success of operations.	Continuous
External Auditors	Third-party entities that audit the financial integrity of SAF's operations.	Ensure accurate and fair presentation of financial statements with comprehensive disclosures. Safeguard compliance with local and federal regulations, and update on major structural developments throughout the year as necessary.	Annually

Beneficiaries	Communities and individuals benefiting from SAF's programs, particularly underserved groups.	SAF must ensure effective resource allocation to deliver high quality, timely services. Beneficiaries' feedback and insights are essential for shaping and improving the organization's strategic approach and program effectiveness.	Continuous
Vendors	Suppliers and service providers engaged in delivering essential goods and services for SAF's operations.	Proactively communicate the organization's requirements and ensure product/service quality. Regular meetings and consultations should be held to review performance and address any issues promptly.	Continuous
Social/Print Media	Institutions and platforms that disseminate news, events, and updates related to SAF's initiatives and activities	SAF must communicate any changes in its structure promptly, and provide continuous updates about ongoing and upcoming projects. Transparency in the utilization of funds must also be conveyed regularly through media channels.	Continuous
Pakistan Centre of Philanthropy (PCP)	An independent non profit organization evaluating SAF's standards in governance, financial management, and program delivery.	The evaluation process will ensure SAF's compliance with standards outlined by the Federal Board of Revenue. This certification assesses the organization's performance and governance over three years, ensuring transparency and accountability	Every 3 years
Beneficiaries	Communities and individuals benefiting from SAF's programs, particularly underserved groups.	SAF must ensure effective resource allocation to deliver high quality, timely services. Beneficiaries' feedback and insights are essential for shaping and improving the organization's strategic approach and program effectiveness.	Continuous

Key highlights of the year include:

The year 2024–2025 was a testament to SAF's growing operational capacity and strategic clarity. Building on years of experience, SAF expanded its reach while strengthening the quality and sustainability of its interventions.

- Expansion of the Mobile Health Unit fleet to 10 operational units, reaching remote and underserved communities
- Construction of over 200 houses for flood affected families across Sindh and Balochistan
- Completion of a 100-house model community in Kadhan, Badin, demonstrating a successful village level rehabilitation approach
- Growth of the Skills Development Program with three operational vocational centers, training nearly 1,000 individuals
- Installation of 8 new solar powered RO plants, benefiting over 3,000 households
- Expansion of SAF's education footprint to 16 schools, serving approximately 5,000 students

This year reflected SAF's transition from project based delivery to ecosystem level impact combining infrastructure, services, and community engagement to create lasting change.

EMERGENCY RELIEF RESPONSE

Communities across Pakistan continue to face compounded vulnerabilities due to climate change, displacement, poverty, and fragile infrastructure. From floods and extreme weather events to chronic economic hardship, millions remain at risk of losing not just shelter, but safety, stability, and dignity.

Afridi Foundation strengthened its Emergency Relief Response by prioritizing sustainable rehabilitation over temporary relief, ensuring that affected families could rebuild their lives with resilience and long-term security.

SUSTAINABLE HOUSING

BUILDING

MORE THAN WALLS

Access to safe and durable shelter is foundational to recovery. Without secure housing, families remain exposed to health risks, economic instability, and social vulnerability particularly women, children, and the elderly.

SAF's housing approach focuses on **flood resilient, need based construction,** designed in consultation with local communities to ensure cultural relevance, durability, and functionality. Each housing intervention is viewed not as an isolated structure, but as part of a broader ecosystem that supports community rebuilding.

Housing Impact 2024–2025

- 219 houses constructed
- Locations: Sindh and Balochistan
- Focus on:
- Flood affected families
- Widows and vulnerable households
- Communities with limited access to basic infrastructure

These initiatives were made possible through the support of IDRF, Mercy Mission, SAF Australia, and the Roy & Patricia Disney Family Foundation.

MODEL COMMUNITY

KADHAN, BADIN (SINDH)

A Blueprint for Village Level Rehabilitation

One of SAF's most significant milestones this year was the completion of a **100-house Model Community in Kadhan, Badin,** developed for families displaced by the 2022 floods. Rather than rebuilding individual houses in isolation, SAF adopted a **village adoption approach,** addressing multiple layers of deprivation simultaneously.

Community Features

- **100 flood-resilient houses**
- **2 water filtration plants ensuring access to clean drinking water**
- **10 handpumps** to support daily household needs
- **A functional school,** restoring access to education for children
- **Upcoming vocational training center,** aimed at livelihood generation

This integrated model enables families not only to return home, but to rebuild sustainable lives within a supportive community structure. The success of this initiative has informed SAF's future direction toward scaling village-level interventions.

Housing for Vulnerable Women

HOSHAB, BALOCHISTAN

In **Hoshab,** SAF constructed **55 houses** specifically for **underserved widows,** a group often disproportionately affected by housing insecurity.

APPROACH

- Needs based identification in collaboration with local stakeholders
- Designs aligned with local living patterns and climat conditions
- Emphasis on privacy, safety, and durability

For widows with limited social and economic support, secure housing represents safety, independence, and dignity. These homes provide protection from environmental exposure while restoring a sense of permanence and belonging.

Supporting Underserved Families

TURBAT, BALOCHISTAN

In **Turbat,** SAF constructed approximately **40 houses** for vulnerable families facing chronic housing insecurity.
The intervention followed the same criteria:

- Support for widows and vulnerable households
- Durable construction suited to local conditions
- Restoration of safe living environments

These homes have enabled families to transition from temporary or unsafe shelters to stable housing, significantly improving their quality of life.

FOOD SECURITY

ADDRESSING IMMEDIATE HUNGER

Food insecurity remains a pressing challenge for vulnerable households, particularly during periods of inflation, displacement, and seasonal hardship. SAF's food security interventions during 2024–2025 focused on **targeted, community based distribution,** ensuring support reached those most in need

CHAKWAL

SUPPORTING UNDERSERVED HOUSEHOLDS

150

households supported

- Implemented in partnership with **Nazir Awan Foundation**

This intervention provided essential food supplies to families struggling with rising living costs and limited income opportunities.

BADIN

SUPPORTING FLOOD AFFECTED COMMUNITIES

300

households supported

- Implemented in collaboration with **World Care Foundation**

Food assistance in Badin complemented SAF's housing initiatives, supporting families as they continued to recover from the long-term impacts of flooding.

HUB

COMMUNITY BASED RELIEF

300

households supported

- Implement with **Sahil Welfare Association**

This initiative ensured food access for families facing economic vulnerability and limited employment opportunities.

RAMADAN RELIEF & IFTAR DRIVES

During the holy month of Ramadan, SAF intensified its food assistance efforts to support families during a time of increased need.

RAMADAN IFTAR DRIVE:

- **2,300 individuals supported**
- In partnership with **Saturday Welfare Group and Sahil Welfare Association**

RAMADAN RATION DISTRIBUTION:

- **450 households supported**
- In collaboration with **Pashtun Trust**

SEASONAL RELIEF

WINTERIZATION SUPPORT

Harsh winter conditions pose serious risks for families in colder regions, particularly those living in fragile housing structures.

- **350+ households supported**
- **100 households in Badin**
- **250 households across Tirah and Kohat**

Winterization kits included essential items to protect families from cold temperatures, reducing health risks during winter months.

QURBANI MEAT DISTRIBUTION

SHARING
DIGNITY & JOY

During Eid-ul-Adha, SAF conducted **Qurbani meat distribution,** reaching **500+ individuals.**
This initiative ensured that underserved families could participate in the spirit of the occasion, reinforcing social inclusion and shared dignity.

STRENGTHENING EMERGENCY RESPONSE THROUGH SUSTAINABILITY

Through its Emergency Relief Response in 2024–2025, SAF demonstrated a clear shift toward **integrated, sustainable recovery models.** By combining shelter, food security, seasonal relief, and community infrastructure, SAF ensured that emergency response extended beyond immediate aid laying foundations for long-term resilience.

02

HEALTH

Access to quality healthcare remains one of Pakistan's most pressing challenges, particularly for populations living in remote, underserved, and disaster affected regions. Geographic isolation, financial barriers, and limited medical infrastructure continue to prevent timely diagnosis and treatment, resulting in avoidable illness and loss of life.

During 2024–2025, the Shahid Afridi Foundation reinforced its healthcare strategy by expanding outreach services, strengthening fixed healthcare facilities, and prioritizing maternal, child, and preventive care. By combining mobility with institutional care, SAF ensured that healthcare reached communities where it was needed most consistently, affordably, and with dignity.

MOBILE HEALTH UNITS

A LIFELINE FOR REMOTE COMMUNITIES

For communities located far from hospitals and clinics, even basic medical care can require long and costly travel. SAF's Mobile Health Units bridge this gap by delivering essential healthcare services directly to people's doorsteps.

In 2024–2025, SAF expanded its Mobile Health Unit fleet to **10 fully operational units,** with **3 new units added during the year**, significantly increasing geographic coverage and patient outreach.

OVERALL IMPACT

38,000+
patients facilitated

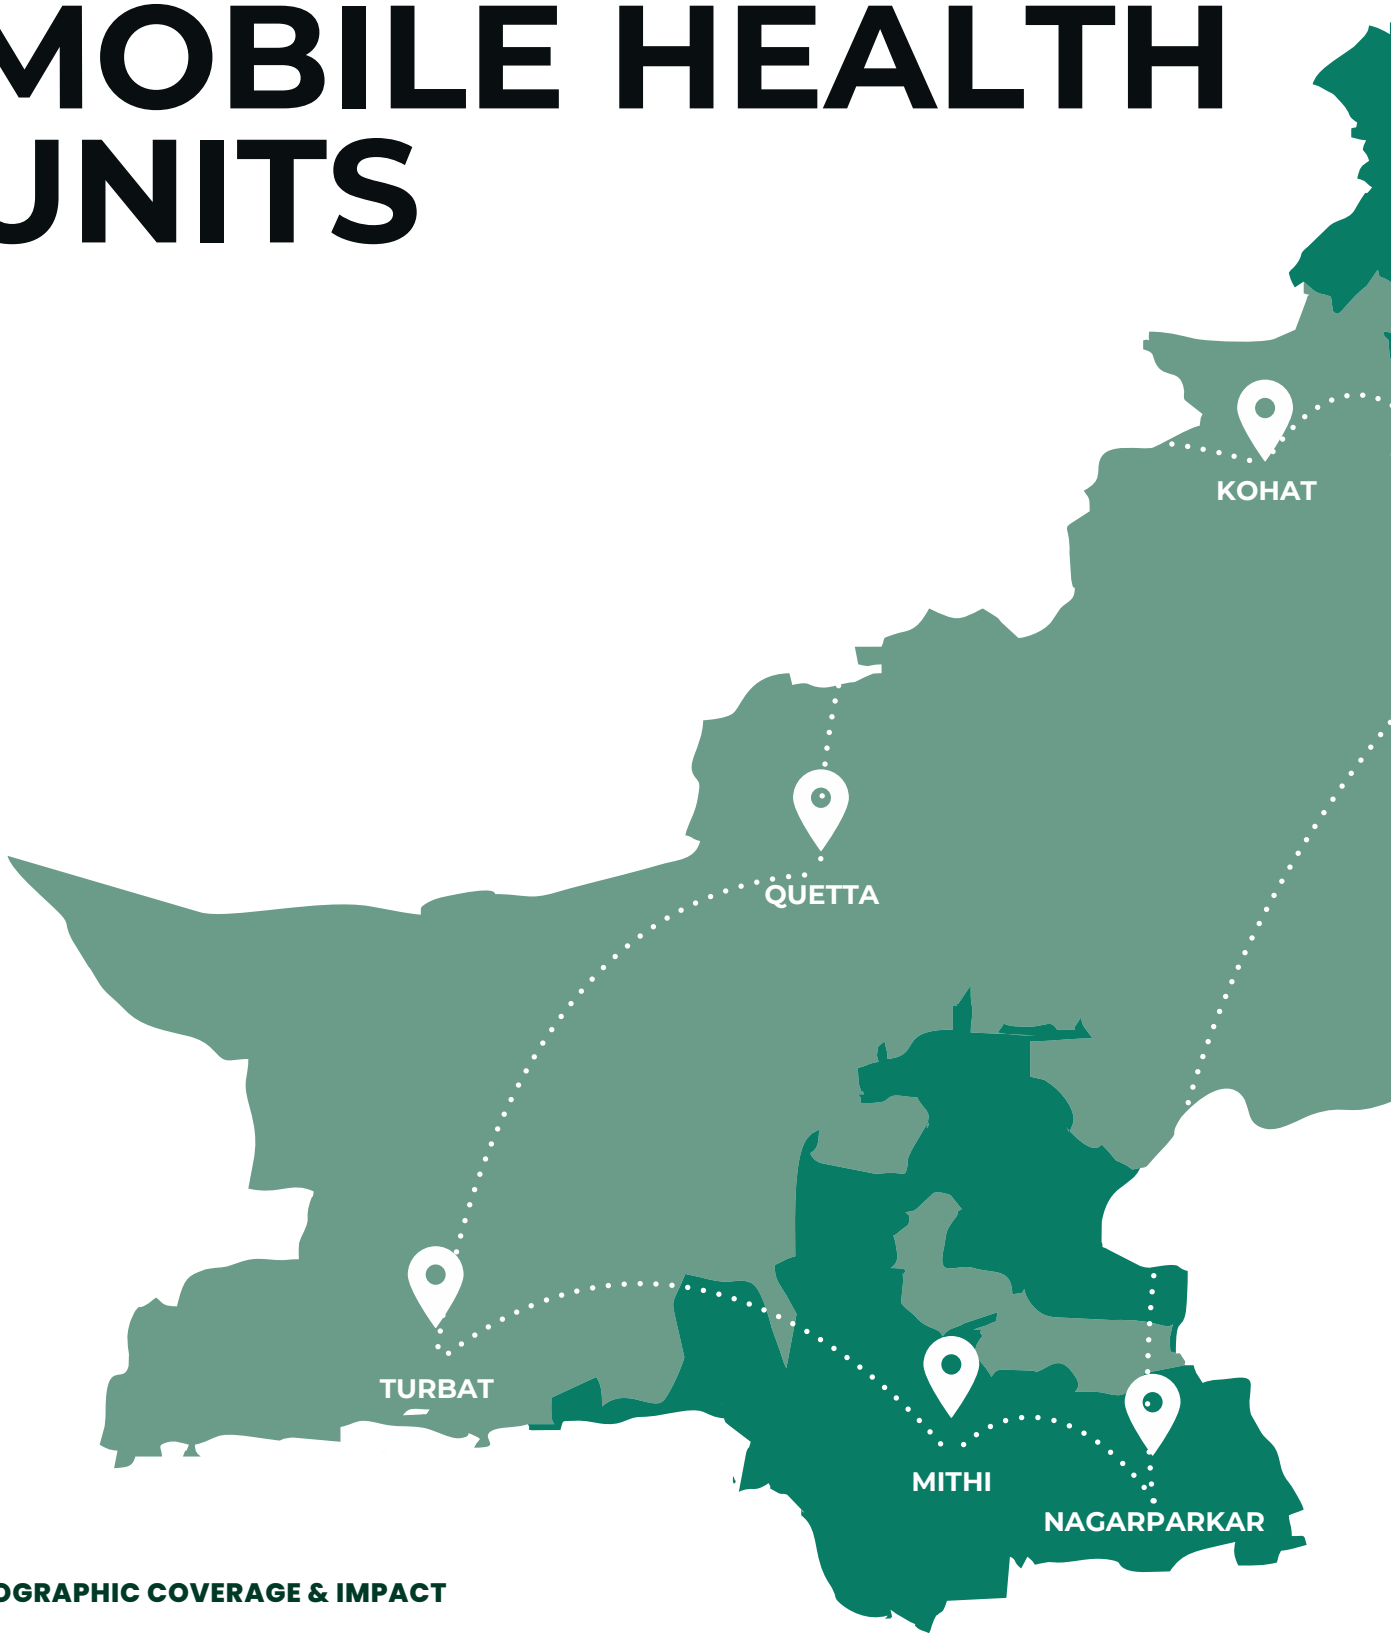

- Services provided:
- Outpatient consultations
- Maternal and child health services
- Basic diagnostics
- Distribution of essential medicines

This expansion allowed SAF to reach deeper into rural and underserved areas, ensuring continuity of care for communities with limited healthcare options

MOTHER & CHILD HEALTH

SAHIBZADA FAZAL REHMAN HOSPITAL, KOHAT

A LIFELINE FOR KOHAT & SURROUNDING COMMUNITIES

The **Sahibzada Fazal Rehman Hospital** continued to serve as a cornerstone of SAF's healthcare services, providing reliable and affordable medical care to Kohat and neighboring regions.

Unlike short-term medical interventions, the hospital ensures **continuity of care,** enabling long-term treatment, follow-ups, and specialized services.

SAHIBZADA FAZAL REHMAN
CHARITY HOSPITAL

ANNUAL IMPACT (2024–2025)

Over the past year, the hospital provided care to

49,000+
PATIENTS FACILITATED

- **701 deliveries conducted**
- Thousands of:
- OPDs
- Laboratory tests
- Diagnostic procedures
- Surgical interventions

The hospital plays a particularly critical role in maternal healthcare, offering safe delivery services to women who otherwise face limited access to medical facilities.

LIFE-CHANGING CARE

The hospital's focus on **maternal and child health** has directly improved health outcomes, ensuring that women and children receive the care they need, when they need it.

MOTHER AND CHILD HEALTH PROMOTION CENTER

FOCUSED CARE FOR WOMEN AND CHILDREN

MALIKPUR, LAHORE

Maternal and child health remains central to SAF's healthcare strategy. The Mother and Child Health Promotion Center in Malikpur, Lahore continued to provide focused and preventive care throughout the year.

A HOLISTIC HEALTHCARE APPROACH

Throughout 2024–2025, SAF's health interventions reflected a comprehensive approach combining mobility, institutional care, and preventive services. By strengthening healthcare delivery systems rather than relying solely on episodic care, SAF ensured sustainable and dignified access to medical services. As SAF looks ahead, expanding the Mobile Health Unit fleet and deepening healthcare outreach remain central to its mission of ensuring that no community is left without access to essential care.

IMPACT

2,200+
PATIENTS TREATED

- Services included:
- Antenatal and postnatal care
- Pediatric consultations
- Preventive health education

By offering early diagnosis and continuous care, the center contributed to improved health outcomes for mothers and children in the community.

EYE CARE & CATARACT SURGERY CAMPS

RESTORING SIGHT, RENEWING INDEPENDENCE

Preventable blindness continues to affect thousands across Pakistan due to delayed diagnosis and lack of surgical access. SAF's eye care initiatives aim to restore sight and improve quality of life for underserved populations.

EYE CARE IMPACT

5,000+
INDIVIDUALS FACILITATED

- Locations:
- Chakwal
- Kohat

SERVICES PROVIDED

- Eye examinations and screenings
- Vision assessments
- Cataract surgeries for eligible patients

THESE INTERVENTIONS ENABLED INDIVIDUALS TO REGAIN INDEPENDENCE, RETURN TO WORK, AND IMPROVE OVERALL WELL-BEING.

03

WATER

Access to clean and safe drinking water is fundamental to health, dignity, and economic stability. Yet, across large parts of Pakistan particularly in rural, coastal, and disaster-affected regions communities continue to rely on contaminated and high TDS water sources. This results in widespread waterborne diseases, increased healthcare costs, and a disproportionate burden on women and children.

During 2024–2025, the Shahid Afridi Foundation strengthened its water initiatives by expanding solar-powered water infrastructure, increasing coverage in water-stressed regions, and advancing projects that ensure long-term community access to safe drinking water.

CLEAN WATER THROUGH SUSTAINABLE INFRASTRUCTURE

SAF's water strategy prioritizes durability, sustainability, and community access. By focusing on solar-powered RO plants and handpumps, SAF ensures that communities receive reliable water solutions that remain functional even in areas with limited electricity and infrastructure.

SOLAR-POWERED RO PLANTS

COMPLETED PROJECTS

DELIVERING SAFE DRINKING WATER AT SCALE

During the reporting year, SAF installed 8 new solar-powered RO plants, providing clean drinking water to over 3,000 households.

LOCATIONS & COMMUNITY IMPACT

GUGDAN, BALOCHISTAN

In Gugdan, where groundwater is highly saline and unsafe for consumption, the RO plant has become a primary source of drinking water for local households, significantly reducing waterborne illnesses.

DANDAR, BALOCHISTAN

The installation in Dandar addressed chronic water scarcity, improving daily access for families who previously relied on unsafe sources.

GISHKAUR, BALOCHISTAN

In Gishkaur, the RO plant serves a dispersed population with limited infrastructure, ensuring consistent access to clean water in a region with high water contamination.

ORANGI TOWN, KARACHI

In one of Karachi's densely populated areas, the RO plant supports low-income households that struggle to afford clean water through private vendors.

KOHAT,
KHYBER PAKHTUNKHWA

The Kohat installation complements SAF's health initiatives in the region by reducing water-related health risks and supporting overall community wellbeing.

SAEEDABAD, KARACHI

In Saeedabad, the RO plant ensures reliable access to potable water for underserved families, improving health outcomes and daily living conditions.

HANDPUMPS INSTALLATION

IMMEDIATE ACCESS FOR RURAL COMMUNITIES

While large water infrastructure projects are essential, handpumps remain a critical solution for rural and remote communities. During 2024–2025:

72
HANDPUMPS INSTALLED

LOCATIONS:

- Badin
- Gharo
- Thar

THESE HANDPUMPS PROVIDE IMMEDIATE RELIEF BY REDUCING TRAVEL DISTANCES FOR WATER COLLECTION AND ENSURING SAFER WATER ACCESS PARTICULARLY BENEFITING WOMEN AND CHILDREN.

WATER INFRASTRUCTURE IN MODEL & VULNERABLE COMMUNITIES

SAF's water initiatives were closely integrated with housing and education projects to ensure holistic community development.
In the Model Community in Kadhan, Badin, water access was strengthened through:

2
WATER FILTRATION PLANTS

10
HANDPUMPS

THESE FACILITIES SUPPORT DAILY HOUSEHOLD NEEDS AND REINFORCE THE SUSTAINABILITY OF THE SETTLEMENT.

ONGOING WATER PROJECTS

STRENGTHENING THE PIPELINE FOR FUTURE IMPACT

To ensure continuity of impact, SAF continued work on 7 additional RO plants currently under construction.

LOCATIONS

- Badin
- Ormara
- Hub
- Tirah
- Landi Kotal

EXPECTED IMPACT

3,800+
INDIVIDUALS

will benefit upon completion

These projects are strategically located in high-need areas where water quality remains a critical concern.

04

EDUCATION

Access to clean and safe drinking water is fundamental to health, dignity, and economic stability. Yet, across large parts of Pakistan particularly in rural, coastal, and disaster affected regions communities continue to rely on contaminated and high TDS water sources. This results in widespread waterborne diseases, increased healthcare costs, and a disproportionate burden on women and children.

During 2024–2025, the Shahid Afridi Foundation strengthened its water initiatives by expanding solar powered water infrastructure, increasing coverage in water stressed regions, and advancing projects that ensure long-term community access to safe drinking water.

SAF SCHOOLS NETWORK

Expanding Access to Quality Primary Education

In 2024–2025, SAF expanded its school network to 16 operational schools, with the addition of two new campuses in Karachi:

- Baldia Town Campus
- Korangi Campus

These additions responded to growing demand for safe, accessible education in densely populated and underserved urban communities.

EDUCATION IMPACT

APPROXIMATELY
5,000
STUDENTS ENROLLED

- Focus on:
- Foundational literacy and numeracy
- Moral and character development
- Safe and supportive learning environments

SAF SCHOOLS CONTINUE TO SERVE AS COMMUNITY ANCHORS, PROVIDING STABILITY AND OPPORTUNITY FOR CHILDREN WHO MIGHT OTHERWISE REMAIN OUT OF SCHOOL.

ADULT & ADOLESCENT LEARNING AND TRAINING PROGRAM (AALTP)

BRIDGING THE EDUCATION GAP

Recognizing that thousands of children and adults miss early education due to economic hardship or displacement, SAF launched two Adult & Adolescent Learning and Training Program Centers in Gadap, Karachi, in collaboration with the Sindh Education Foundation.

PROGRAM OVERVIEW

300+
LEARNERS ENROLLED

- Education delivered up to Grade 5 equivalency
- Pathway for transition into formal education systems

THIS INITIATIVE RESTORES LEARNING OPPORTUNITIES FOR THOSE WHO WERE PREVIOUSLY EXCLUDED, EMPOWERING LEARNERS WITH FOUNDATIONAL SKILLS AND RENEWED CONFIDENCE.

INCENTIVE FOR EDUCATION PROGRAM

ENCOURAGING RETENTION & CONTINUITY

The Incentive for Education Program, a long running SAF initiative, successfully concluded in December 2024.

PROGRAM SUPPORT

- Arkanabad Campus: Supported by SAF USA Donors
- Faisalabad Campus: Supported by Humaniti

MINI MBA PROGRAM FOR PARENTS

STRENGTHENING FAMILIES THROUGH KNOWLEDGE

Understanding that parental stability directly impacts a child's educational journey, SAF introduced a Mini MBA Program for parents across four SAF school campuses in Karachi.

PROGRAM IMPACT

200+
PARENTS FACILITATED

- Training included:
- Financial literacy
- Small business management
- vHousehold budgeting and planning

BY STRENGTHENING PARENTS' ECONOMIC AND MANAGERIAL CAPACITY, THIS PROGRAM CONTRIBUTES TO HOUSEHOLD RESILIENCE AND IMPROVED EDUCATIONAL OUTCOMES FOR CHILDREN.

SKILLS DEVELOPMENT PROGRAM

EDUCATION BEYOND THE CLASSROOM

To address unemployment and limited livelihood opportunities, SAF significantly expanded its Skills Development Program during 2024–2025, operating three vocational training centers across Pakistan.

These centers provide market-relevant skills aligned with local economic needs, enabling participants to generate sustainable income.

FAISALABAD SKILLS DEVELOPMENT CENTER

PARTICIPANTS
150+
INDIVIDUALS

- Courses Offered:
- Electrical
- Plumbing
- AC & Refrigeration

This center supports urban and peri-urban youth by equipping them with technical skills aligned with industrial demand.

LANDI KOTAL SKILLS DEVELOPMENT CENTER

PARTICIPANTS
500+
INDIVIDUALS

- Courses Offered:
- Mechanical skills
- Graphic designing
- Electrical
- Plumbing

Located in a historically underserved region, this center provides youth with employable skills, reducing vulnerability to economic instability.

THAR SKILLS DEVELOPMENT CENTER

PARTICIPANTS
300+
INDIVIDUALS

- Courses Offered:
- Stitching
- Embroidery
- Supported by: Thar Foundation

THIS CENTER FOCUSES ON WOMEN'S ECONOMIC EMPOWERMENT, ENABLING INCOME GENERATION THROUGH CULTURALLY APPROPRIATE SKILLS.

A HOLISTIC EDUCATION ECOSYSTEM

Throughout 2024–2025, SAF's education initiatives reflected a holistic approach—combining formal schooling, alternative learning pathways, parental engagement, and skills development. Together, these programs create a supportive ecosystem that enables learners not only to access education, but to sustain and benefit from it over the long term.

As SAF looks ahead, expanding access to education and vocational training remains central to its mission of empowering underserved communities and creating pathways to opportunity.

05

SPORTS

Sports play a powerful role in shaping confidence, discipline, teamwork, and resilience especially for children and youth growing up in underserved environments. Beyond physical activity, sports provide structure, purpose, and a sense of belonging, helping young people channel their energy positively and build life skills that extend far beyond the field.

During 2024–2025, the Shahid Afridi Foundation continued to leverage sports as a tool for development, inclusion, and social cohesion. Through school based programs, community tournaments, support for aspiring athletes, and inclusive sporting events, SAF reinforced its belief that sports can empower individuals and unite communities.

SPORTS AT SAF SCHOOLS

NURTURING HOLISTIC CHILD DEVELOPMENT

Sports remain an integral part of SAF's education model. Across SAF schools, regular sports activities continued throughout the year, ensuring that students benefit from physical development alongside academic learning.

KEY FOCUS AREAS

- Physical health and fitness
- Teamwork and leadership
- Discipline and confidence building
- Positive engagement in structured activities

By integrating sports into daily school life, SAF provides children with safe spaces to grow, learn cooperation, and develop self confidence particularly important for students from vulnerable backgrounds.

COMMUNITY SPORTS INITIATIVES

ENGAGING YOUTH BEYOND THE CLASSROOM

Recognizing the role of sports in community engagement, SAF supported multiple large scale sporting initiatives aimed at youth development and social inclusion.

TAPE BALL CRICKET TOURNAMENT

TIRAH VALLEY

SAF served as the Title Sponsor for the Tape Ball Cricket Tournament in Tirah Valley, a region that has faced prolonged challenges due to conflict and limited youth engagement opportunities.

THANK YOU!
SHAHID AFRIDI FOUNDATION
For Supporting the All KP Cricket Tournament, Tira
AFRIDI KING
TIGER

IMPACT

- Provided a positive outlet for young people
- Encouraged healthy competition and teamwork
- Fostered community cohesion in a fragile context

THIS INITIATIVE DEMONSTRATED SAF'S COMMITMENT TO USING SPORTS AS A MEANS OF REBUILDING CONFIDENCE AND OPPORTUNITY IN UNDERSERVED REGIONS.

INCLUSIVE SPORTS

CHAMPIONING EQUAL OPPORTUNITY

Inclusion remains central to SAF's sports philosophy. During 2024–2025, SAF was the Title Sponsor of the Annual Persons with Disabilities Cricket Tournament.

PURPOSE

- Promote inclusion and dignity
- Encourage participation regardless of physical ability
- Raise awareness around accessibility in sports

This initiative reinforced the message that sports belong to everyone and can be a powerful force for empowerment and equality.

SPORTS FOR SOCIAL CAUSES

EXTENDING IMPACT BEYOND BORDERS

Through its South Africa Chapter, SAF made a generous contribution to the Pink Day Fund, supporting breast cancer awareness and care.

This gesture reflected SAF's broader commitment to health advocacy and solidarity through sports-linked initiatives, extending impact beyond national boundaries.

BUILDING STRONGER COMMUNITIES THROUGH SPORTS

Throughout 2024–2025, SAF's sports initiatives demonstrated how structured physical activity can transform lives—by fostering confidence, promoting inclusion, and creating shared experiences that strengthen communities.

As SAF moves forward, sports will continue to serve as a platform for youth engagement, social cohesion, and holistic development across underserved communities.

06

GLOBAL CHAPTER

The Shahid Afridi Foundation's global chapters are more than supporters they are long term partners in SAF's mission to uplift underserved communities. Through sustained commitment, advocacy, and trust, SAF's chapters enable the Foundation to respond to urgent needs while investing in long-term development solutions.

During 2024–2025, the chapters in the United States, United Kingdom, Australia, and South Africa played a critical role in strengthening SAF's programs across healthcare, education, water, housing, and emergency relief. Their support ensured continuity, scale, and stability across initiatives that directly impact thousands of lives.

SAF USA CHAPTER

STRENGTHENING SYSTEMS THROUGH SUSTAINED SUPPORT

The SAF USA Chapter continued to play a pivotal role in strengthening SAF's core programs by focusing on high impact, long-term interventions rather than short term engagement. Their strategic approach enabled SAF to expand essential services while reinforcing institutional capacity.

MOBILE HEALTH UNIT SUPPORT

Through the USA Chapter's support, SAF was able to operationalize one Mobile Health Unit, significantly expanding healthcare access in remote and underserved regions. This contribution enabled thousands of individuals particularly women and children to receive timely medical consultations, essential medicines, and preventive care without the burden of travel.

CLEAN WATER INITIATIVES

The chapter also supported the installation of three RO water filtration plants, ensuring reliable access to safe drinking water for vulnerable communities. These plants have contributed to improved health outcomes by reducing the prevalence of waterborne diseases and easing the daily burden on households reliant on unsafe water sources.

EDUCATION SUPPORT

In the education sector, the SAF USA Chapter supported over 2,000 children enrolled at SAF schools. This support helped ensure continuity of learning, improved retention, and access to safe educational environments for children from underserved backgrounds.

Through its consistent and purpose driven engagement, the SAF USA Chapter continues to strengthen SAF's ability to deliver sustainable, life changing impact.

SAF UK CHAPTER

SUSTAINING IMPACT THROUGH YEAR-ROUND SUPPORT

The SAF UK Chapter had one of its most impactful years, supporting a wide range of initiatives while maintaining strong engagement with donors and communities.

SUPPORT ACROSS CORE PROGRAMS

Through the UK Chapter's efforts, SAF was able to advance multiple initiatives, including:

- Sustainable housing projects for vulnerable families
- Eye care and cataract surgery camps restoring vision and dignity
- Ration and food distribution drives supporting food insecure households
- Handpumps improving access to clean water in underserved areas

NUTRITION SUPPORT FOR STUDENTS

A key contribution of the UK Chapter was ensuring daily lunch provision at the SAF School, Wadoodia Mohalla Campus. This initiative not only improved student nutrition but also encouraged attendance and concentration, directly supporting better educational outcomes.

QURBANI DRIVE

The chapter also ensured the successful implementation of the Qurbani Drive, enabling hundreds of families to celebrate Eid ul Adha with dignity and shared joy. These efforts ensured sustained funding and awareness for SAF's humanitarian and development programs.

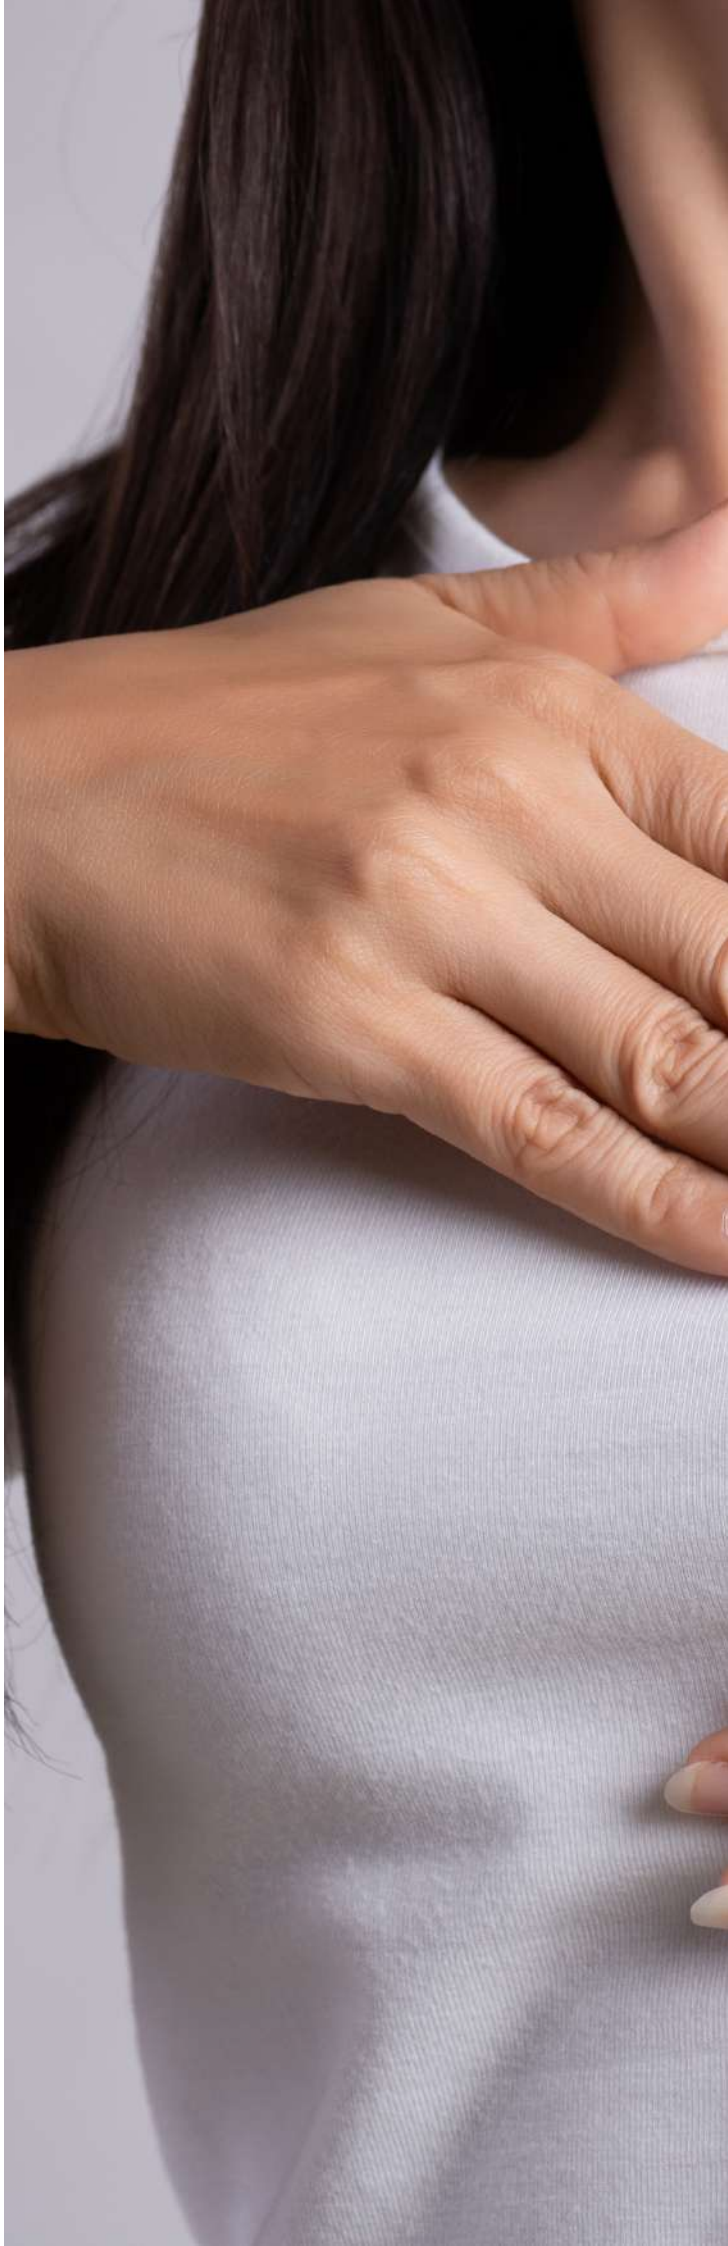

SAF SOUTH AFRICA CHAPTER

SUPPORTING HEALTH & AWARENESS BEYOND BORDERS

During 2024–2025, the SAF South Africa Chapter extended SAF's impact beyond Pakistan by supporting the Pink Day Fund, contributing toward breast cancer awareness and care.

This initiative reflected the chapter's commitment to health advocacy, solidarity, and social responsibility—reinforcing SAF's belief that compassion and impact transcend borders.

SAF AUSTRALIA CHAPTER

DEEPENING IMPACT THROUGH EDUCATION, WATER & ENGAGEMENT

The SAF Australia Chapter demonstrated strong commitment to both programmatic support and on-ground engagement, reinforcing transparency and trust throughout the year.

WATER ACCESS THROUGH HANDPUMPS

With the support of the Australia Chapter, SAF installed over 25 handpumps in underserved communities. These handpumps provided immediate access to safe water, particularly benefiting women and children by reducing travel distances and improving daily living conditions.

EDUCATION SPONSORSHIP

The chapter also sponsored the education of 1,000 students at SAF schools, directly contributing to improved access to quality education and helping families overcome financial barriers that often lead to school dropouts.

ON-GROUND VISITS

Members of the SAF Australia Chapter visited SAF initiatives across Pakistan, engaging directly with field teams and beneficiary communities. These visits allowed supporters to witness firsthand the impact of their contributions and further strengthened collaboration between donors and implementers.

The chapter's holistic involvement reflects a shared commitment to accountability, sustainability, and meaningful change.

PARTNERSHIPS

COLLECTIVE STRENGTH, SHARED VISION

Across all global chapters, the year reflected a shared vision of accountability, sustainability, and impact. Their continued trust and commitment enable SAF to plan confidently, scale responsibly, and respond effectively to the needs of underserved communities.

SAF remains deeply grateful to its global chapters for standing as partners in purpose ensuring that together, Hope Not Out remains more than a promise; it remains a reality.

PARTNERSHIPS & COLLABORATIONS

Strategic partnerships remain central to the Shahid Afridi Foundation's ability to deliver sustainable, community driven impact across Pakistan. Through the trust, commitment, and shared vision of our partners, SAF continues to scale its initiatives in healthcare, education, water, housing, food security, and skills development. Each collaboration reflects a collective effort to address systemic challenges and create lasting change for underserved communities.

MUSLIM AID

PROVIDING CLEAN WATER ACCESS

In collaboration with Muslim Aid, the Shahid Afridi Foundation is advancing its commitment to ensuring access to clean and safe drinking water for underserved communities. This partnership focuses on delivering life-saving water solutions in areas facing acute water scarcity, helping improve health outcomes and overall quality of life. Together, we are restoring dignity and hope for thousands of individuals by addressing one of the most critical basic needs.

IDRF

BUILDING MODEL COMMUNITIES & ENSURING STABILITY

Through the generous support of IDRF, SAF successfully developed a model community of 100 houses for families affected by the 2022 floods in Kadhan, Badin. This initiative goes beyond shelter, offering families safety, stability, and a pathway toward long-term recovery. The partnership exemplifies IDRF's commitment to sustainable rehabilitation and SAF's holistic approach to community uplift.

HUMANITI

EMPOWERING EDUCATION FOR A BRIGHTER FUTURE

Humaniti's continued support of SAF's Incentive for Education Program has played a vital role in empowering students from underserved backgrounds. Through this collaboration, students received educational support that enabled them to remain enrolled, motivated, and focused on their academic journeys. Together, we are investing in young minds and nurturing future changemakers within their communities.

HBL FOUNDATION

ADVANCING WOMEN & CHILD HEALTH

HBL Foundation's sponsorship of a Mobile Health Unit in Wah has significantly improved healthcare access for women and children in Wah and Taxila. Through 26 health camps, this partnership has facilitated healthcare services for over 12,000 individuals, making a measurable impact on maternal and child health outcomes.

HABIB OIL MILLS

STRENGTHENING ACCESS TO EDUCATION

Through its partnership with SAF, Habib Oil Mills is sponsoring the education of 250 students at the SAF School, Arkanabad Campus. This collaboration supports access to quality education, creating a nurturing learning environment and laying a strong foundation for students to grow, learn, and succeed.

BASKIN ROBBINS

CHAMPIONING GIRLS' EDUCATION

Baskin Robbins' support for girls' education at SAF Schools is helping unlock opportunities for young girls across Pakistan. This partnership promotes access to education, empowerment, and confidence—ensuring that girls are equipped with the tools they need to achieve their full potential.

WORLD CARE FOUNDATION

SUPPORTING FLOOD-AFFECTED FAMILIES

With the support of the World Care Foundation, SAF distributed ration to families affected by the 2022 floods. This timely assistance helped address immediate food insecurity and provided relief to vulnerable households during a period of recovery and rebuilding.

NAZIR AWAN FOUNDATION

STRENGTHENING SAF'S MISSION

The Nazir Awan Foundation has played a pivotal role in strengthening SAF's outreach and impact. Their support has enabled the Foundation to extend assistance to underserved families, reinforcing SAF's mission of empowerment, resilience, and community development.

ROY + PATRICIA DISNEY FAMILY FOUNDATION

SUSTAINABLE FLOOD RELIEF

With the support of the Roy + Patricia Disney Family Foundation, SAF constructed 40 solar-powered houses for flood-affected families. This collaboration underscores the importance of sustainable, environmentally responsible solutions in post-disaster recovery and highlights the power of global partnerships in addressing humanitarian challenges.

REMIT CHOICE

A CONTINUED COMMITMENT TO HOUSING

Building on previous support, Remit Choice continued its partnership with SAF by supporting the construction of 18 new homes for flood-affected families in Balochistan. This sustained commitment provides families not only with shelter but also with dignity, security, and hope for a stable future.

K-ELECTRIC KHI AWARDS

RECOGNITION OF IMPACTFUL HEALTHCARE

SAF is honored to receive the prestigious K-Electric Khi Award in the Public Health category for its Mobile Health Unit initiative. This recognition reflects SAF's dedication to delivering quality healthcare services in remote and underserved areas and reinforces our commitment to advancing public health outcomes across Pakistan.

SINDH EDUCATION FOUNDATION

EMPOWERING ADULTS & ADOLESCENTS

Sindh Education Foundation
Government of Sindh

In collaboration with the Sindh Education Foundation, Government of Sindh, SAF is implementing Adult and Adolescent Learning and Training Program (AATLP) centers. This initiative focuses on providing access to quality education for individuals who missed early learning opportunities, opening pathways toward continued education and improved livelihoods.

BANK AL BARAKA

SUPPORTING EDUCATION & SKILLS DEVELOPMENT

alBaraka
Your Partner Bank

Bank Al Baraka continues to be a valued partner in SAF's mission by supporting skills development for girls in Faisalabad and sponsoring education for over 100 girls at SAF Schools. This partnership empowers young women with education and vocational skills, enabling economic independence and long-term impact.

THAR FOUNDATION

EMPOWERING YOUTH THROUGH SKILLS DEVELOPMENT

tharfoundation

Continuing its partnership from Mobile Health Unit operations, SAF and the Thar Foundation have joined hands to empower youth through skills development training. The Thar Skills Development Center equips young individuals with practical vocational skills, enabling them to build sustainable livelihoods and contribute positively to their communities.

ISMAIL INDUSTRIES

DELIVERING HEALTHCARE IN WAH

With the support of Ismail Industries, SAF operates a Mobile Health Unit in Wah, delivering essential healthcare services to women and children. This initiative ensures access to medical consultations, diagnostics, and treatment for underserved populations, contributing to healthier and more resilient communities.

MERCY MISSION UK

SUPPORTING HOUSING INITIATIVES

Mercy Mission UK has supported SAF's housing initiatives by helping provide safe and secure homes for underserved families in Balochistan. This partnership addresses critical shelter needs and contributes to community resilience.

DIN GROUP

SUPPORTING EDUCATION INITIATIVES

Din Group's support of SAF's education initiatives strengthens access to learning opportunities at SAF Schools, reinforcing the Foundation's commitment to quality education for underserved children.

SAHIL WELFARE ASSOCIATION

SUPPORTING MOBILE HEALTH UNITS

In partnership with Sahil Welfare Association, SAF continues to operate Mobile Health Units, expanding access to essential healthcare services for underserved populations.

INDUS HOSPITAL

STRENGTHENING HEALTHCARE DELIVERY

SAF's partnership with Indus Hospital supports the operation of Mobile Health Units in Tharparkar, ensuring quality healthcare delivery through strong institutional collaboration and shared expertise.

AL FEROZ PRIVATE LIMITED (DOLMEN GROUP)

ENSURING CLEAN WATER ACCESS

Al Feroz Private Limited, owners of Dolmen Malls, supported SAF by enabling the installation of a water filtration plant in Balochistan. This initiative contributes to improved health and well-being by ensuring access to safe drinking water in underserved areas.

CHAIRMAN **TRUSTEE**

SHAHID AFRIDI FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2025

1 LEGAL STATUS AND NATURE OF BUSINESS

Shahid Afridi Foundation (the Foundation) was registered as a charitable trust on 10 March 2014 under the Trust Act, 1882. The Foundation is principally engaged in providing healthcare, education, access to water, sports rehabilitation and emergency relief response in Pakistan, especially in remote areas. The Foundation's registered office is situated at 204, E. I. Lines, Dr. Daud Pota Road, Karachi, Pakistan. The Foundation owns two health care institutions namely Sahibzada Fazl Rehman Charity Hospital (SFH) located in KPK and Mother and Child Health Promotion Centre located in Lahore and 14 Schools which are managed by Green Crescent Trust and CYTE Foundation

2 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of:

- IFRS for SMEs Accounting Standard issued by the International Accounting Standards Board (IASB) as applicable in Pakistan

- Accounting Standard for Not for Profit organizations (NPOs) as issued by the Institute of Chartered Accountants of Pakistan (ICAP).

3 BASIS OF MEASUREMENT

These financial statements have been prepared on the basis of historical cost convention.

These financial statements are presented in Pakistani Rupees which is the Foundation's functional and presentation currency.

4 SIGNIFICANT ACCOUNTING POLICIES

4.1 Property and equipment

These are stated at cost less accumulated depreciation and accumulated impairment losses, if any, except for land which is stated at cost. Depreciation is charged to income applying the diminishing balance method. In respect of additions, depreciation is charged for the full month in the month of purchase and no depreciation is charged on deletions in the month of disposal. The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each financial year end. The carrying amounts of assets are reviewed at each financial year end to determine whether there is any indication of impairment of any asset or a group of assets. If any such indication exists, the recoverable amount of that asset is estimated and impairment losses are recognised in the income and expenditure account.

4.2 Stock in hand

These are stated at the lower of cost, determined on first in first out basis and Net Realizable Value

4.3 Cash and cash equivalents

These are stated at cost.

4.4 Restricted funds

Health fund

Represents donations received specifically for health activities. These are transferred to income at the time of utilization.

Education fund

Represents donations received specifically for education activities. These are transferred to income at the time of utilization.

Emergency relief fund

Represents donations received specifically for emergency relief activities. These are transferred to income at the time of utilization.

4.5	**Trade and other payables**
	Liabilities for trade and other payables are carried at cost which is the fair value of the consideration to be paid in future for goods and services received, whether or not billed to the Foundation.
4.6	**Provisions**
	Provisions are recognized when the Foundation has legal or constructive obligation as a result of past events if it is probable that outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made.
4.7	**Taxation**
	The Foundation is registered with Income Tax Department as a not for profit organization under Section 2(36)(c) of the Income Tax Ordinance, 2001 read with Rule 212 and 220 of the Income Tax Rules, 2002. Therefore the Foundation's income is exempt from income tax under Section 100 (C) of Income Tax Ordinance, 2001.
4.8	**Revenue recognition.**
	Income from donation, zakat and hospital operations is recognised on receipt basis. Donation-in-kind is valued at market value at the time of receipt
	Profit on bank accounts is recognised on accrual basis.
4.9	**Foreign currency transactions**
	Transactions in foreign currencies are accounted for in rupees at the rates prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies are translated into rupees at the rate of exchange prevailing at the balance sheet date. Any resulting gain or loss arising from changes in exchange rates is reported in income and expenditure account.

6.1 These carry profit rates ranging from 18.00% to 21% per annum and includes term deposit receipts maturing latest by July 2024.

7 During the current year, the Assistant Commissioner Inland Revenue has passed an order with respect to tax year 2019 creating a tax demand of Rs. 2,044,635/-. The Foundation filed an appeal before the Appellate Tribunal Inland Revenue against the above demand who upheld the order against the Foundation. The Foundation is in process of challenging the said order before the High Court of Sindh. Based on the advice of the tax advisor, the management is confident of a favorable outcome and hence, no provision is made in these financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Trustees of Shahid Afridi Foundation

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of Shahid Afridi Foundation (the Foundation), which comprise the statement of financial position as at 30 June 2025, and the statement of income and expenditure, the statement of changes in funds and the statement of cash flows for the year then ended, and notes to the financial statements, including significant accounting policies.

In our opinion, the annexed financial statements present fairly, in all material aspects, the financial position of the Foundation as at 30 June 2025 and of its financial performance and its cash flows for the year then ended in accordance with the approved accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Trustees for the Financial Statements

Management of the Foundation is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and for such internal control as Management of the Foundation determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charge with governance is responsible for overseeing the Foundation's financial reporting process.

Grant Thornton

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is Khurram Jameel.

Director's Report

On behalf of the Board of Directors, I am pleased to present the Annual Report of the Shahid Afridi Foundation for the financial year ended 30 June 2025.

This year stands as a period of scale, strengthened systems, and deeper impact. Guided by our mission to serve underserved communities across Pakistan, SAF expanded its operational footprint, strengthened institutional capacity, and ensured that every contribution entrusted to us translated into meaningful and measurable change.

Financial Stewardship and Accountability

The Foundation continued to uphold the highest standards of transparency, accountability, and prudent financial management. Strong internal controls and disciplined oversight enabled us to optimize resource utilization while expanding the scale of our programs across health, education, emergency relief, water access, sports development, and livelihood support.

Our financial strategy remains rooted in three principles:

- **Impact-first allocation** – directing maximum resources toward program delivery
- **Operational efficiency** – ensuring responsible administrative spending
- **Donor trust** – maintaining transparent reporting and compliance standards

This disciplined approach allowed SAF to expand program outreach while sustaining financial stability and institutional resilience.

Program Investments and Impact

During the year, program expenditures were strategically deployed to address Pakistan's most pressing social challenges.

Health remained a leading priority, with major investments supporting hospitals, mobile health units, medical camps, and mother & child healthcare services in remote regions. These initiatives enabled tens of thousands of patients to receive essential medical care, particularly women and children in underserved communities.

Education initiatives continued to receive significant support, enabling the operation and expansion of SAF Schools, adult literacy centers, and parent empowerment programs. Investments strengthened access to quality education for thousands of children while expanding learning pathways for adolescents and adults who previously lacked educational opportunities.

Emergency Relief and Housing remained central to SAF's humanitarian mandate. Resources were directed toward sustainable housing solutions, food security programs, winterization support, and disaster response efforts—ensuring vulnerable families received not just immediate relief, but long-term stability and dignity.

Water initiatives expanded access to safe drinking water through solar-powered RO plants and handpump installations in water-stressed communities, reducing health risks and improving quality of life for thousands of households.

Sports and youth development programs continued to promote inclusion, confidence, and opportunity through structured school sports, national tournaments, and support for aspiring athletes.

Livelihood support initiatives further strengthened community resilience by enabling skills development and vocational training pathways that promote long-term economic independence.

Strengthening Partnerships

This year also reflected the power of collaboration. Strategic partnerships with philanthropic foundations, corporate partners, international NGOs, and SAF's global chapters enabled co-funded initiatives, technical support, and expanded outreach. These alliances amplified our impact and reinforced SAF's role as a trusted development partner.

Institutional Growth

Beyond programmatic expansion, the Foundation invested in systems, governance frameworks, and operational capacity to ensure sustainability and scalability. Enhanced reporting structures, improved financial controls, and strengthened program management processes position SAF for responsible growth in the years ahead.

Looking Ahead

As we move forward, SAF remains committed to expanding access to essential services while deepening community-centered development models. Priorities for the coming year include:

- Expanding mobile healthcare coverage to more remote regions
- Scaling skills development and vocational training programs
- Advancing community uplift through integrated village development models
- Strengthening education pathways for underserved children and youth
- Expanding sustainable water solutions in high-need areas

Acknowledgment

We extend our sincere gratitude to our donors, partners, volunteers, and global chapters for their continued trust and commitment. Your support fuels our mission and enables us to serve communities with integrity, compassion, and impact.

We also recognize the dedication of SAF's management and field teams whose tireless efforts ensure that every initiative reaches those who need it most.

Together, we remain steadfast in our purpose — transforming generosity into opportunity and hope into lasting change.

Hope - Not Out!
